

# Face Covering Challenge

This March 2022, the Edmonton Epilepsy Association challenges all neurology teams out there to join us in the "**Face Covering Challenge**".

## The ASK

- Purchase your very own Purple "Ask Me Why" face covering from the EEA, and participate in this special fundraising initiative.
- Take a team picture showing your face coverings. We encourage funny pictures!
- Send us a copy of your picture at [info@edmontonepilepsy.org](mailto:info@edmontonepilepsy.org) by March 1, 2021 providing:
  - Your team name, names of people in the picture and one thing your team is doing this March to promote awareness about epilepsy.

## SPREADING THE NEWS

The EEA will share your contributions on our social media channels and on our website, and declare a winner team on our next newsletter issue. Your team will win bragging rights for this first ever Face Covering Challenge!

  
**Ask Me Why**
