

25 DAYS FOR EPILEPSY

HELP ME RAISE AWARENESS

JUNE 1 THROUGH 25, 2022

***I pledge to _____
during the 25 Days for Epilepsy!***

Epilepsy is the fourth most common neurological disorder in the world, and there are more than 66,000 Albertans living with it. 1 in 100 Canadians suffer from epilepsy. I am going to raise awareness about epilepsy on behalf of the Edmonton Epilepsy Association. I ask for your help to pledge funds for my cause!
